Statement in an Examination Report dated August 2, 1999 for a counterpart foreign application filed in New Zealand in which the foreign Examiner alleges that he has used "the Internet to access television listings for BBC World television as far back as mid 1996...."

These documents are listed on the accompanying Form PTO/SB/08a/b (submitted in duplicate). Pursuant to 37 C.F.R. § 1.98(d), copies of the documents are not being submitted because the documents were previously cited by or submitted to the Patent Office during the prosecution of U.S. patent application No 09/560,207, filed April 27, 2000, upon which this application relies for an earlier filing date under 35 U.S.C. § 120.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

It is respectfully requested that these documents be (1) fully considered by the United States Patent and Trademark Office during examination of this application; and (2) printed on any patent which may issue on this application. Applicants request that a copy of Form PTO/SB/08a/b, as considered and initialed by the Examiner, be returned with the next communication.

Consideration of the foregoing in relation to this patent application is respectfully requested.

Respectfully submitted,
